Paid Media Opportunity Analysis

Here's what we found when we looked at your market.

The short version: A2X has solid branded search (390/mo) but the bigger opportunity is in category keywords. "Ecommerce accounting software" has 480 monthly searches at $49 CPC — high intent buyers actively shopping. On LinkedIn, you can reach 180K+ accountants and bookkeepers who serve ecommerce clients. The CPCs are high ($26-59), which suggests competitors are bidding aggressively — you should be too.

$10-15K	1,860	180K

LinkedIn Audiences

Audience	Size	CPM
Accountants (SMB/MM)	**180K**	**$145**
Ecommerce Founders/Owners	95K	$185

Full plan includes detailed targeting specs

Why this matters:
Your category keywords have serious CPCs ($49-59) — that's a signal that competitors are paying to own this space. Your branded term "a2x accounting" at $10.61 is a bargain by comparison. The opportunity: capture high-intent "ecommerce accounting software" searchers before they find a competitor.
